1. Who is going where I am going; you are Ted and who else? Yea many follow you/Me/us and where we are going many brethren are. And listen to Me as I share My love with you for what you are doing, what you have done, where you are coming to, going/going and coming, and yea finding pasture that I described long ago.

2. I love you and I give you Me and I give you all of Me and I never withhold Myself.

3. I am as I am. I am I Am. And I am always and ever before you and I give you Me. **And I retard not your advances and thoughts of Me, your tender touches and thoughts. I thank you for every single one of them and I love you.** I give you Me. And I bring you into a new place, a wide place, a place of intimacy before thousands; and yea I am I Am/you are I Am and you take Me to many brethren, yea breaking Me before them the New Covenant, yea you, your life/body and blood. Thank you. Amen.

4. I love you and all I have said is true; page after page, day after day, moment after moment, message after message.

5. I come and I share My love with My body who I lift now; lift My head into place; yea them lifting their head into place; Me lifting them/them lifting Mine, And yea are we not one and the same?

6. Who can see will receive the truth, darkened, not, but yea fully Me and always Me is.
I love you.
I am you.
